ADSS Global Receives Altec's Partner Excellence Award

Sage Accpac Reseller Earns Altec's Partner Excellence Award Recognizing Excellence in Leadership and Innovation

Laguna Hills, CA – March 9, 2011 - [Altec Products, Inc.](#), a leading provider of integrated document management (IDM) and workflow solutions to small- to mid-market companies, is pleased to recognize ADSS Global with the 2010 Partner Excellence Award. This award recognizes partners for their leadership and innovative selling of *doc-link*, Altec's IDM solution.

Presenting the award during the Accpac Third Party Advantage Conference (TPAC) in Vancouver, BC was Altec EVP, Bill Brown. Pete Kaufman from ADSS was there with other ADSS colleagues to accept the award. The Partner Excellence Award is a distinction given to partners who have been instrumental in assisting their customers advance to a leaner, smarter and greener way of conducting business. By understanding the clients' business processes and needs, ADSS was able to recommend and implement *doc-link* - which not only streamlined operations, but eliminated the bottlenecks and costs inherent in a paper-based environment.

"ADSS Global is honored to receive the Altec Partner Excellence award! We are happy to partner with the team at Altec, and pleased with the ease of working with them providing document management solutions to our clients. With their help, we continue to educate our clients on the benefits of streamlining paper pains with *doc-link*." We feel this trend will just continue, as companies focus on improving efficiency and reducing costs." Jim Campbell, Vice President, CPA, CITP.

About Altec

Altec is a leading provider of Integrated Document Management (IDM) solutions to mid-market companies. For more than twenty five years, Altec has provided a wide range of accounting-centric paper to paperless solutions including its flagship product, *doc-link*[™], which enables companies to capture, archive, workflow and route structured and unstructured documents to customers, employees and vendors. Altec's comprehensive solutions include IDM, output management, MICR check disbursement and paper documents that serve more than 13,000 customers worldwide. Altec enjoys strong, collaborative partnerships with ERP and BMS solution providers such as Epicor Software, Microsoft Dynamics, Sage Software and SAP to provide the most comprehensive, integrated enterprise document management solution to the SMB market. Altec delivers its IDM solutions through a global network of authorized partners in more than 60 countries throughout the Americas, EMEA and Asia Pacific.
